

DOCKLANDS LIGHT RAILWAY, DLR AUTOMATED LIGHT METRO OPENED ON 31 AUGUST 1987 TO SERVE THE REDEVELOPED DOCKLANDS AREA OF LONDON. IT SPANS MULTIPLE AREAS, REACHING UP TO STRATFORD IN THE NORTH, LUISANA IN THE SOUTH, TOWER GATEWAY AND BANK AND MONUMENT IN THE FINANCIAL CENTRE IN THE CITY AND COMES TO BECKTON AND WOOLWICH ARSENAL IN THE EAST

IN 2012, DLR CARRIED 100 MILLION PASSENGERS. THE DLR NETWORK HAS BEEN EXPANDED SEVERAL TIMES, AND NOW THIS WORK CONTINUES. AND ALTHOUGH IT IS SIMILAR TO SOME OTHER TYPES OF TRANSPORT FOR LONDON SUCH AS SUBWAY, DLR TRAINS ARE NOT COMPATIBLE WITH ANY OTHER TRAIN SYSTEM IN THE UK.
