

# AC/DC

## History

Brothers Angus, Malcolm and George Young were born in Glasgow, Scotland, but in 1963, along with most of the family have gone to Sydney. George started to play the guitar and became the first member of the most successful Australian band 1960, The Easybeats. It was the first local rock band, which released the hit international scale - «Friday on My Mind» in 1966. Malcolm soon followed in the footsteps of his brother, becoming the guitarist from Newcastle The Velvet Underground. AC / DC performs music in the genre of rock, hard rock. Is one of the most successful rock bands in the land.
