

# Queen

At the origin of the band's creative experiments were participants : students , Brian May and Tim Staffell in the UK in 1964 founded the group "1984" ( based on the novel by George Orwell ) , later transformed into a «Smile». Brian posted a message in the walls of his "Imperial College" . It said that the team needs to play with drummer Mitch Mitchell style and Ginger Baker . It responded to student - dentist Roger Taylor . He then seemed Staffell Mai and the best one , hitting their precision tuning drums. The main achievement «Smile» was opening act at «Pink Floyd». However, due to intense study and the lack of any management was the spring of 1970 the trio broke Tim Staffell left the band.

May and Taylor were not going to throw a musical career and shared their creative ambitions with a friend and roommate Staffell Freddy ( Farrokh Bulsara ) . He often visited the performances «Smile», but May and Staffell did not even know that he is able to sing . Freddie had a very clear idea of what should be the performances and stage work group. Once in the new team , he came up with a name for it «Queen» and designed the logo and took myself alias Freddie Mercury . Now, the group consisted of singer - keyboardist , guitarist and drummer .
