

# Nirvana

Nirvana - American rock band formed by vocalist and guitarist Kurt Cobain and bassist Krist Novoselic in Aberdeen , Washington in 1987. As part of the team changed several drummers , the longest play with a group of drummer Dave Grohl , who joined Cobain and Novoselic in 1990.

In 1989, Nirvana became part of the Seattle music scene , releasing on an indie label Sub Pop debut album, Bleach. After signing with major label DGC Records Russian . Nirvana gained unexpected success with the song «Smells Like Teen Spirit» with its second album Nevermind, released in 1991. Subsequently, Nirvana entered the musical mainstream, popularizing a subgenre of alternative rock called grunge. Kurt Cobain became in the eyes of the media is not just a musician , and " voice of a generation " and Nirvana became the flagship of " Generation X ". In 1993 they released their third and final studio album , In Utero, compositions which musically very different from the previous work of the collective.

A short but colorful history of the group was interrupted due to the death of Kurt Cobain April 5, 1994 , but in subsequent years the team known only grew. In 2002, the unfinished demo songs «You Know You're Right», on which the group worked shortly before Cobain's death , took the first lines of the world music charts . Since the release of their debut album Nirvana records have sold more than 25 million copies in the U.S. and over 50 million worldwide
