

Элементарные частицы

Определите где, какая элементарная частица изображена на экране?

The image displays three cards, each representing an elementary particle. Card 1 (yellow background) shows a white circle with a black outline, a relative mass of 1, and a charge of 0, labeled 'n'. Card 2 (cyan background) shows a red circle with a black outline and a plus sign, a relative mass of 1, and a charge of 1, labeled 'p'. Card 3 (orange background) shows a blue circle with a black outline and a minus sign, a relative mass of 0, and a charge of -1, labeled 'e'. Red lines connect the labels 'относительная масса' and 'заряд' to the mass and charge values on card 1.
