

The background image shows a wide view of the Alexander Column and the Winter Palace in St. Petersburg, Russia, during sunset. The sun is low on the horizon, casting a warm glow over the scene. The Alexander Column stands prominently on the left, topped with the Angel of Liberty. The Winter Palace, a grand neoclassical building, is visible in the background on the right. The sky is filled with soft, colorful clouds in shades of orange, yellow, and blue.

После того, как Екатерина II
