

Портфолио

У каждого ребёнка на страничке есть своё портфолио, где он в любой момент может найти все свои дипломы за участие в олимпиадах

The screenshot shows a website for an online competition platform. At the top, there's a banner for a Russian language competition with a deadline of April 8th. Below the banner, the UCHi.RU logo is visible, along with a user profile for 'Добрый Голышев' (Dobrynya Golyshev) and links for 'Премиум' (Premium) and 'Выход' (Logout). The main content area is titled 'Портфолио' (Portfolio) and displays certificates from the 2017-2018 school year, specifically for October. Four certificates are shown, each featuring a cartoon monster character and the name of a student. The certificates are for participation in the 'Russian with Pushkin' competition and the 'Mathematical Olympiad'. There are download buttons for each certificate.
